Christmas Day Lunch
- **December 31 @ 2:00pm**
Tom and Jerry Party w/ Elks Club

December is looking like it will be a very busy month. Here are a few of the highlights but be sure to check the Activity schedule for a full list of activities.

From our Administrator

Thanksgiving, Veterans and Pioneers

November gave us a lot to reflect on, while welcoming new elders to the home there was also a very moving memorial service for Ed Willis, longtime resident council president and former legislator. He was an amazing leader and advocate for the elders of AVPH. I am grateful and thankful for the years we all were able to call him neighbor and friend.

With the theme of thanksgiving last month I thank all of the staff members who have chosen to work here and the residents who have chosen to make this their home. What a great family! Also the Veterans Day event was also very well attended despite very icy conditions. I can't forget to also extend a happy Birthday to the United States Marine Corps – November 10th.

December is here and the calendar is full – but I want to highlight one of my favorite traditions. What will now be the **7th annual administrators Christmas cookie contest** Wednesday the 19th from 1:30 -2:30. Bring cookies, eat cookies, judge cookies, and maybe win a spatula! All are welcome to participate.

Throwback picture to our first contest in 2012

Ed Willis' Memorial Service

Veterans Day Ceremony

The Veterans Day Ceremony was a moving ceremony honoring our Veterans and their service to our Country. Thank you Veterans!

A Distant Trumpet

***Once more the distant trumpet sounds
We stand quietly upon this hallowed ground
Time to honor fallen heroes who gave their all***

***Warm smiles through tears stream across our faces
For those who died fighting in familiar and distant places
Remember their sacrifice so freely given
Protected behind their valor we were hidden***

***Dads and moms, sisters, brothers
Aunts and uncles and countless others
Paid the price so we could hear freedom ring
Courage, honor loyalty they were made of these finer things***

***So decorate the white crosses with flowers red and blue
With pride remember the brave and the true
Once more the distant trumpet sounds
It is that Unknown Soldier just making his rounds.***

***Robert Schafer
2016***

We re blessed to have Al Willis, our very own bugler, living here at AVPH. It is such a pleasure to hear him play

Robert Schafer was the guest speaker at a Veteran's Day service at Job Corps in Palmer.

November Festive Meal and Thanksgiving

We enjoyed turkey dinners for both the Festive Meal and Thanksgiving Day Lunch. At the November Festive Meal we were entertained by “Steve Willis and Friends” The music and food were wonderful.

In December there will not be a Festive Meal but on Christmas Day there will be a Special Lunch. There will also be a few special luncheons and parties in December so be sure to check the Activities calendar.

Puppy Visit

Residents were treated to another visit from a very adorable liter of puppies.

Happy Hour

Happy Hour is a wonderful time to relax and socialize with each other.

Happy Birthday

December Birthdays

Residents

12/06 James Olson

12/17 Ramona "Peg" Yost
