

PCMH Training Opportunity!

September 28th-30th, 2016

Alaska Primary Care
ASSOCIATION

Receive training to help with your PCMH transformation and/or prepare to become a PCMH Certified Content Expert!

The Alaska Primary Care Association (APCA) is pleased to bring the expertise of the National Committee for Quality Assurance (NCQA) to Alaska with an upcoming two-part education seminar for health professionals. The content for this offering is divided into two parts:

Part I: Introduction to PCMH: Foundational Concepts of the Medical Home
September 28th -29th

This 1.5 day training covers the 2014 NCQA PCMH standards, and is designed for any health care professional, decision-maker, or consultant interested in getting the inside perspective directly from expert faculty from NCQA in evaluating a primary care practice and their ability to become recognized as a Patient Centered Medical Home by NCQA.

APCA Member Cost: \$845
Non-Member Cost: \$1015

Part II: Advanced PCMH 2014: Mastering the Medical Home Transition
September 30th

This 1 day interactive program is geared towards individuals with significant knowledge of the NCQA PCMH Standards and experience implementing those standards in a practice setting and who have attended the *Introduction to PCMH* seminar; and those who intend to obtain the individual PCMH Certified Content Expert credential.

APCA Member Cost: \$745
Non-Member Cost: \$815

The Training will be held at Alaska Pacific University's Campus in Anchorage, Alaska. Due to sponsorship from the State of Alaska DHSS, APCA is able to offer this training for less than publically available NCQA seminars! **The education seminars have limited space available, and registration is first come first serve,** however APCA members and CHCs will receive priority in registering. Registration will be open until August 31st, and no refunds for cancellation will be granted after August 31st.
