## Notes:

Racial Disproportionality represents all children who came into care or were in care for the calendar year.

2019 population data was used to calculate population percentage and disparity.

AN/AI Children in Custody represents all children who came into care or were in care during the calendar year.

\*Maltreatment & Repeat Maltreatment: Numbers/rates may be impacted by data latency.

Maltreatment: count of children with substantiated maltreatment in investigations completed during the reporting period. Population data from 2018 was used to calculate rate.

Repeat Maltreatment: Repeat victims are those with a previous substantiated allegation within the prior 12 months.

Placement data is point time December 31 of the year.

ICWA Foster Homes data was extracted on 1/2/20.

**Tribal Intervention:** Represents the number of children who had an intervention during the reporting year. If intervention occurred after the reporting period it is not included in this number.

Children in non-intervening tribes includes all AN/AI children who do not have a tribal affiliation listed in ORCA.

**Reunification**: Totals are based on number of children discharged with an end reason of reunification and children on a trial home visit over 180 days or expired. 2019 totals may change slightly due to data latency entry.

Children Exiting to Adoption or Guardianship: 2019 totals may change slightly due to data latency entry.

**Re-Entry into Care:** Children removed from home during the reporting period who have a discharge within the 12 months prior to their most recent reporting period removal date.
